

Inventions Through Time Trouble Shooting Form

Due March 31, 2003

Name _____ Teacher _____

1. My invention is supposed to

2. I am having trouble because

3. To solve this I need

4. I tried

5. It worked!

6. It did not work, I need to fill out another trouble shooting form and try another solution.

If this is your third trouble shooting form and you are still having the same problem with your invention you may need to change your plan.
