The Big Annual Weeding of Periodicals is finished as of the end of February. Slightly better than half of the people who reserve the discarded periodicals have picked them up.

Most of the parts purchased through the Friends of the Library for the 3D printers have arrived and are waiting to be installed.

Both Computers from Boundless Connections have been re-imaged with the CCLS-Olean Patron Image and are waiting to be put on CASSIE.

The MANGA collection is in the process of re-stickering, etc.
