

Report to the Board  
Kathy O'Malley Children's Department  
November 2023

**Programs:**

All children's programs are going well. Halloween week was a lot of fun. There were a lot of kids and everyone enjoyed the programs and the cider and donuts. Thank you, Friends.

In October we had 70 sixth graders and 6 adults come in 3 groups from Allegany Limestone Central School for a tour of the library. They were super impressed with the gallery, the 3D printer and the teen room. Many of them have returned to say hi and take advantage of all we offer. Sadly, not the teen room, but they can't wait until they are old enough. (One kid tried to tell me he had been held back 2 years and was actually 13) lol

The tailgate party was quieter than expected. Only about 50 people attended.

Cris Johnson's Spooky Magic Show was better with 70 plus people attending.

On Saturday, Nov. 11<sup>th</sup> we will be collaborating with Bonas Education Organization to present a Let's Talk Turkey program. Mike Morton is bringing some live turkeys and we will be doing crafts and having turkey themed snacks.
