February 2025

IT & Technical Services

Board Report

Updated computers in workroom with Windows 11

Received 3 of 5 new Teen laptops. Remaining two are having some imaging issues but are expected soon.

Ran a successful Minecraft program for the Afterschool club

Provided laptops for genealogy workshops and tax prep sessions.

Replaced label printer in Tech Services.

We have had some issue with power outages and possibly daylight savings time with the CASSIE server but believe they are fixed now.
