Friends of the Library Support Summer Reading & Community Engagement

The Friends of the Olean Public Library are proud to support the Library's Summer Reading Program again this year! Our contributions help provide supplies and exciting prizes that encourage readers of all ages to explore, learn, and grow throughout the summer months. Last year, 2,000 children participated in the program. This is a wonderful reminder of how vital and impactful the Olean Public Library is for our community.

The Friends also recently participated in the Olean Volunteer Fair, where we enjoyed connecting with community members who care deeply about supporting the library. We're always looking to grow our circle of supporters! If you're interested in volunteering your time, partnering with us, or making a donation, we'd love to hear from you. Together, we can continue to make the Olean Public Library a vibrant resource for all.

Trustee Election Candidate Running for 5 year term

Michael A. Morgan is a lifelong resident of Olean and is the managing attorney of Morgan & Associates in Olean. He is a graduate of Olean High School and SUNY at Geneseo, earning a B.S. in Business Administration. He earned his Juris Doctor (JD) and Masters of Business Administration (MBA) from Case Western Reserve University. Michael and his family live in the City of Olean.

Michael is admitted to practice in New York and Pennsylvania, as well as U.S. District Court, Western District of New York and U.S. Bankruptcy Court, Western and Northern Districts of New York.

His decision to run for a full term on the Olean Library Board stems from his commitment to furthering literacy amongst children and adults and access to educational and social opportunities, along with access to information technology. He is excited to support the library's expansion to update the existing structure, improve energy efficiency, and provide much needed additional space for the library to enhance its offerings and outreach to the community, along with additional small and large group meeting space, all while retaining its convenient, walkable and bikeable location in downtown Olean.
