You can look forward to...

After School is coming back as a “Summer Edition”. Each After School Club will have a different theme. On July 21<sup>st</sup>, the theme will be Toy Story and we will be “swapping” toys! Clay Class and a beaded plant craft is coming for adults. We will have a “Spiritual development” class on June 9<sup>th</sup> and June 10<sup>th</sup>. In the month of August, you can look forward to a Lego portrait program for Children and Adults, we will fill the gallery full off people’s Lego creations! We also plan to offer a Summer Check-In Bash. There will be fun things to do encouraging adults to check in their summer reading adventure booklets.
